NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are prepared for Brothers In Need Limited as an individual entity. Brothers In Need Limited is a not for profit Company limited by guarantee, incorporated and domiciled in Australia.

The financial reports are special purpose financial statements prepared in accordance with the requirements of the Australian Charities and Not-for-profits Commission Act 2012 and the Australian Accounting Standards. The board has determined that the association is not a reporting entity.

The financial statements have been prepared on an accruals basis and are based on historical costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The financial statements are presented in Australian dollars which is the functional and presentational currency of the Company.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

a. **Impairment of Assets**

At the end of each reporting period, management review the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the income and expenditure statement.

b. **Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

c. **Cash and cash equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

d. **Income Tax**

The association is not liable for income tax.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

e. Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

f. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

g. Financial Assets

Investments in financial assets are initially recognised at cost, which includes transaction costs, and are subsequently measured at fair value, which is equivalent to their market bid price at the end of the reporting period. Movements in fair value are recognised through an equity reserve.

h. Critical accounting estimates and judgements

The board members evaluate and judgements incorporated into financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events based on current trends and economic data, obtained both externally and within the association.

i. Comparatives

When required by accounting standard, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

DIRECTORS DECLARATION

The board of directors has determined that the company is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the directors the financial report set out on pages 3 to 9:

a. complies with accounting policies as described in Note 1 to the financial statements;
b. presents fairly, in all material respects, the financial position of Brothers In Need Limited as at 30 June 2020 and its performance for the year ended on that date; and,
c. complies with the *Australian Charities and Not-for-profits Commission Act 2012* and the *Australian Charities and Not-for-profits Commission Regulation 2013* ;and,
d. at the date of this statement, there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Independent Reviewer's Report

To the members of Brothers in Need Limited

Report on the Audit of the Financial Report

We have reviewed the accompanying financial report, being a special purpose financial report, of Brothers in Need Limited (the company) which comprises the statement of financial position as at 30 June 2020 and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the director's declaration.

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the financial report of Brothers in Need Limited, does not satisfy the requirements of Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 including:

a) giving a true and fair view of the registered entity's financial position as at 30 June 2020 and of its financial performance and cash flows for the year ended on that date; and

b) in accordance with the Australian Accounting Standards to the extent described in the notes to the financial statements, and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2013.

Basis of Accounting

Without modifying our opinion, we draw attention to notes to the financial statements which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the ACNC *Act*. As a result, the financial report may not be suitable for another purpose.

Responsibility of the Responsible Entities for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in notes to the financial statements is appropriate to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act) and is appropriate to meet the needs of the members. The directors' responsibility also includes such internal control as the directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from the material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Review of the Financial Report

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report: Company Limited by Guarantee or an Entity Reporting under the ACNC Act or Other Applicable Legislation, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report does not satisfy the requirements of Division 60 of the ACNC Act including: giving a true and fair view of the registered entity's financial position as at 30 June 2020 and its performance for the year ended on that date; and complying with the Australian Accounting Standards and the Australian Charities and Not-for-profits Commission Regulation 2013 (ACNC Regulation). As the auditor of Brothers in Need Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the review of the annual financial report.

A review of a financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Australian Charities and Not-for-profits Commissions Act 2012. We confirm that the independence declaration required by the Australian Charities and Not-for-profit Commissions Act 2012, provided to the directors of the company, would be in the same terms if provided to the directors as at the date of this auditor's report.
